Adding prosecco last

SHIMMER

How to use:

Add to glass/shaker at the same time you add a base spirit.

Notes:

Works most effectively with clear drinks.

Does *not* work well with citrus.

Carbonated drinks will keep the glitter in motion.
Otherwise best to serve with a straw/stirrer.

Christmas Magic

If your drink has a foamy head then try using a fine strainer to dust the top of the drink with the glitter.
