

SIDECAR

BACKGROUND

The exact origins of the Sidecar are not known but most believe it was created shortly after World War One.

INGREDIENTS

2 Part Martell VS
1 Part Lemon Juice
1 Part Triple Sec

GLASS

Cocktail

GARNISH

Sugar Rim

METHOD

1. Measure Cognac and triple sec into a shaker.
2. Freshly squeeze lemon juice into the shaker.
3. Take a chilled cocktail glass.
4. Rim with a slice of lemon.
5. Place the glass upside down into a bowl of caster sugar.
6. The rim of the glass should have a smooth coating of sugar.
7. Fill the shaker with a scoop of ice and shake well.
8. Double strain into the glass, be careful to not spoil the rim.
